

AbsolutePanda

Photography Program

Unveil a real China
Get closer to wildlife
Unlock your creativity

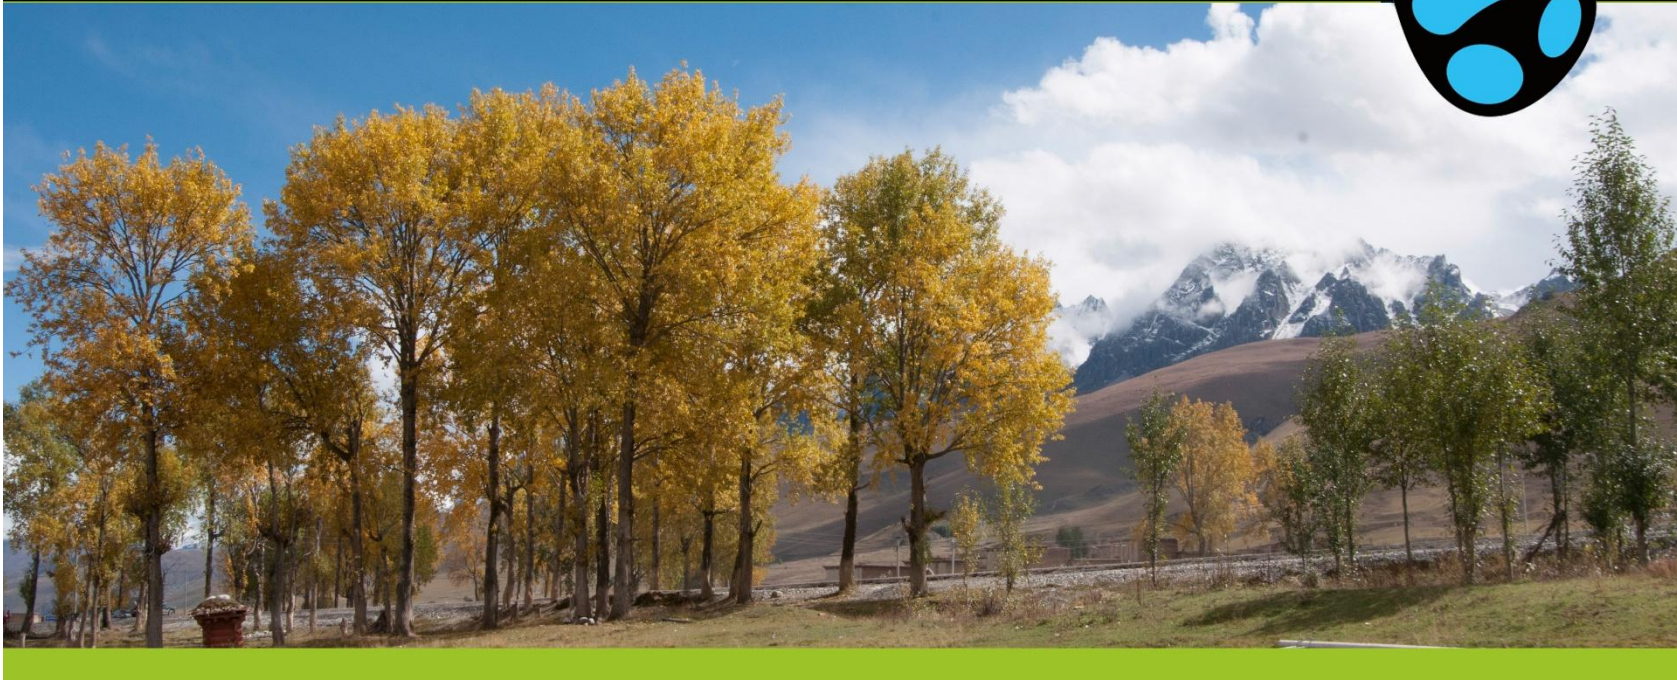

AbsolutePanda is the only travel company focusing on Panda and other wildlife in China. We have guided thousands of expeditions into Panda's habitats since 2003. We create responsible tours for people to enjoy and appreciate the beauty of wildlife by our elaborately crafted products. In the past years, we worked with many professional photographers all around the world, exploring stunning nature scenery and endangered wildlife in Western China. We provide world-class services in our sustainable tours.

Our education programs focus on nature and Chinese culture. You have opportunity to photograph endangered wildlife like Tibetan antelope, golden snub-nosed monkey, endemic species like Sichuan takin and even wild giant panda with a great chance. Except for the mammals, you will be easily overwhelmed by the lavish wild flowers and multitudinous alpine birds in the panda's habitat which is also home to Tibetan nomadic families. You will unveil an authentic China from metropolitan to the remotest mountain village and experience Chinese culture under guidance of professional local guides.

The Legend of Shangri-La

— Exotic Tibetan Nature & Culture Photo Safari

Beautiful China hides in the mysterious mountains on the plateau. We are going to unveil its beauty from the holy mountain surrounded by grassland, glaciers, hot springs to sacred temples, folk house and Chinese minorities. This photography expedition offers a total immersion into the world of wild nature and Tibetan culture.

Highlights

- > Photograph modern marine glaciers of the lowest altitude in Mt. Gongga
- > Plateau pasture scenery photography in “photographer’ s paradise” ---Xinduqiao
- > Primeval photo destination--- Mt. Genie, a sacred place in nature, surrounded by grassland, glaciers, hot springs, alpine lakes, forests, temples, and Tibetan villages
- > Nature photo safari on “the last pure land on the earth”---Yading, one of the best-preserved and most primitive natural scenic spots in China

“Absolute Panda was keen to learn of our likes and dislikes in order to plan a trip best suited to our interests and needs. Philip’s exceptional ability to listen, his commitment to customer satisfaction, his desire to share his extensive knowledge and his passion for his work, simply created an experience much greater than an outlined itinerary.” Michelle M

Untamed Hoh Xil

— Professional Wildlife Photography Tour

Hoh Xil is the largest nature reserve in China which is also home to more than 230 species of wild animals. The vast high grassland makes it more difficult to see wildlife. We create this photography tour for those professional photographers who have the highest demand of wildlife photography on the Qinghai-Tibet Plateau. You will go safari with experienced local guides and professional local photographer with many years of wildlife photography experience who will assist you to choose the best time and location.

Highlights

- > Professional photographing with experienced local guides and photographer
- > Wildlife photographing on Qinghai-Tibet Plateau
- > Great chance to capture moments of endangered wildlife such as wild yak, wild ass, white-lipped deer, brown bear and the endangered Tibetan antelope, chiru, snow leopard, wild camel etc.

"I have taken two trips with Absolute Panda. Philip He and his guides are excellent, and Philip will work with you to tailor a trip to meet your needs and desires. It was great to have another photographer with us since we planned our travels around getting great pictures, whether the landscape or people. Absolute Panda's great service and knowledge leads to great trips" Steve Z

Discover the Beauty of Highland

— A Photo Safari At the Edge of the Tibet Plateau

The east edge of Tibet Plateau, is home to a group of Tibetan, giant panda and many endangered wildlife. Up on the grassland and wetland of the Plateau or in the primeval forests hidden in the mountains, hundreds of wildlife species inhabit in the breathtaking nature scenery. It is a mysterious place where we are going to unveil and discover.

Highlights

- > Taking pictures for panda of different ages in the best known panda base in China
- > Discover traces of panda, golden snub-nosed monkey in panda hometown and explore alpine flowers and birds on the top of the panda kingdom
- > Snow mountain shooting in the "Oriental Alps" --- Mount Siguniang
- > Tibetan architecture & culture experience with Tibetan nomadic family
- > Alpine bird and wild flower photography on the high grassland
- > Karst landform shooting in one of the most beautiful national park in China

"AbsolutePanda fully met our expectations at same as regard as the hotels, the restaurants and all the other services (experienced driver, clean and comfortable car) all was the best possible, according to the local standards, at a fair price. We really thank Absolute Panda for having introduced us the authentic China and having allowed us to loving it." Serena

"I have worked in china as international tour escort for ten years and with a multitude of companies and these guys are in a league by themselves. They have long track record of success for 7 years, have the best connections and the best guides. I can't say enough about them. They can also organize the best local guides for anywhere in china, and are logistical wizards all around."

-Brad J from US

"AbsolutPanda represents China, like Americans would want a tour company in the U.S. to represent America- with professionalism, pride and respect while their actions speak in a way to that oozes with historical consciousness, both culturally and ecologically. Whether you hire AbsolutPanda for an adventure, a cultural, sightseeing tour or to see the Tibetan Plateau where you will feel like the only tourist for a hundred miles, you'll leave knowing more about China than you started with, that's for sure."

-Justin G from US

We designed numerous photography expeditions for professional photographers throughout the world and received many testimonials. With a league of accomplished nature photography guides and extensive on-the-ground network of experts and local people, we designed and operated numerous successful nature photo safari in many parts of China, especially in the wild western China.
